PERMANENT DAILY DOJO - BOURNE ROAD, BEXLEY, DA5 1LW

*** BEXLEYHEATH * BEXLEY * DARTFORD ***

Hi. I am delighted to be in the position of introducing you to our friendly competition club and the amazing sport of judo.

The plan of this pack is to give you an idea of what we do and our objectives as a club. If at any time you have ideas, suggestions or comments or even complaints, please feel free to speak to myself or any committee members. You will be happy in the knowledge that all our coaches are fully qualified, DBS Accredited and attend all the latest courses available to our coaches and committee.

I (Dave Quinn) was introduced to judo from around 10 years old, with the idea to give me confidence and not be afraid of bullies with the added bonus of making me fit and giving me an interest. It was not long before I was graded and won my first medal. That was it, I was hooked. As a kid I enjoyed low level competitions. As an adult I went on to win the Kent Championships and the Southern England Championships. I then went on to gain my 5th Dan competitive Black Belt at have now been honoured with a 6th Dan Red and White Belt. As a Master I have been, Hungarian Masters Open Champion, British Masters National Champion and have Won The World Masters Championships in Canada. Proud to say many of our coaches have surpassed this.

EVERYBODY can benefit from judo in one way or another, Judo is a very hands on and full contact sport and I am truly honoured to have you join our club. I am also a referee and international judo photographer, so am well used to dealing with all abilities and attitudes and spotting talent

IMPORTANT: Our Junior Class begins 6.30pm SHARP. It is imperative that all children turn up on time to benefit from an Essential warm up that helps avoid injuries. We finish at 8.00pm SHARP. Prompt collection of your child appreciated.

Our Senior/Parents Class begins at 8pm to 9.30pm (Bexley) or 8-9pm. All welcome.

GRADING AND COMPETITIONS

GRADINGS

All grading's can be achieved at the Club or at many other B.J.A. clubs. You are urged to consult coach, Dave Quinn, before entering a grading. It is very important that you are neither over graded or under graded to enable you to get the most from your competitive achievements.

COMPETITIONS

All competitive players (i.e. All players that enter regular competitions) are automatically part of our competition squad. We believe in installing confidence within a team environment is beneficial in many ways in the child's development, ability and character. Full members, once they reach a specific level are entitled to a six/twelve week progress plan specifically for that competitor, drawn up by Dave Quinn or a nominated Coach.

We are also happy to do video analysis when video is available. Video analysis will be to develop the positive moves in their game and reduce or eliminate negative moves.

As a club we are also invited to participate in friendly club tournaments on a regular basis. Should you be a member of the Club and are keen to enter as many outside the Club environment tournaments, please seek advice first from Dave, so he can assess whether it is too hard or too simple for you. Leave your email or mobile number with us and we will keep you informed of current activities and competitions.

CHILD WELFARE CONCERNS

As a nationally recognised Club we abide by Child Welfare Rules. Should you (or your child) be concerned in any matter whatsoever to do with the safety and environment in which your child is participating in the first instance please see: Louise Caistor who can be found at the Club most weeks.
