PERMANENT DAILY DOJO - BOURNE ROAD, BEXLEY, DA5 1LW

*** BEXLEY * DARTFORD ***

Hi. I am delighted to be in the position of introducing you to our friendly competition club and the amazing sport of judo. National B.J.A. Award Winners 2024 AND 2025.

The plan of this pack is to give you an idea of what we do and our objectives as a club. If at any time you have ideas, suggestions or comments or even complaints, please feel free to speak to myself or any committee members. You will be happy in the knowledge that all our coaches are fully qualified, DBS Accredited and attend all the latest courses available to our coaches and committee.

I (Dave Quinn) was introduced to judo from around 10 years old, with the idea to give me confidence and not be afraid of bullies with the added bonus of making me fit and giving me an interest. It was not long before I was graded and won my first medal. That was it, I was hooked. As a kid I enjoyed low level competitions. As an adult I went on to win the Kent Championships and the Southern England Championships. I then went on to gain my 5th Dan competitive Black Belt at have now been honoured with a 6th Dan Red and White Belt. As a Master I have been, Hungarian Masters Open Champion, British Masters National Champion and have Won The World Masters Championships in Canada. Proud to say many of our coaches have surpassed this.

EVERYBODY can benefit from judo in one way or another, Judo is a very hands on and full contact sport and I am truly honoured to have you join our club. I am also a referee and international judo photographer, so am well used to dealing with all abilities and attitudes and spotting talent

IMPORTANT: Our Junior Class begins 6.30pm SHARP. It is imperative that all children turn up on time to benefit from an Essential warm up that helps avoid injuries. We finish at 8.00pm SHARP. Prompt collection of your child appreciated.
Our Senior/Parents Class begins at 8pm. All welcome.

PARENTS - GRADING AND COMPETITIONS

A massive thanks is given from us to our parents. For encouraging and introducing your child to a sport that will benefit them in one way or another in future life. Unless you are a qualified judo coach recognised by the BJA, PLEASE DO NOT COACH YOUR CHILD When we are coaching in lesson time. Our coaches have studied coaching and have all the necessary qualifications to get the best from your child. If you feel we are missing something please let the Head Coach know so this can be addressed if necessary. Parents coaching their children when a class is in progress is insulting to the coach and often causes tension among other parents. We respect EVERYONE. If you are interested in coaching please speak to a coach and we will help you reach your desired target. Two parents have done exactly this and are now part of our coaching team.

GRADINGS

All grading's can be achieved at the Club or at many other B.J.A. clubs. You are urged to consult coach, Dave Quinn, before entering a grading. It is very important that you are neither over graded or under graded to enable you to get the most from your competitive achievements.

COMPETITIONS

We are also happy to do video analysis when video is available. Video analysis will be to develop the positive moves in their game and reduce or eliminate negative moves. Be sure to video competitions.

As a club we are also invited to participate in friendly club tournaments on a regular basis. Should you be a member of the Club and are keen to enter as many outside the Club environment tournaments, please seek advice first from Dave, so he can assess whether it is too hard or too simple for you. Don't forget to leave your email or mobile number with us and we will keep you informed of current activities and competitions. We have Email, Whatsapp and Facebook groups to keep you in touch.
